April is Child Abuse Prevention Month

Join Bishop Parkes for a
HOLY HOUR FOR HEALING

April 6, 5:30 pm
St. James the Less
Catholic Church, Savannah

Did you know...Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also child abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of the home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offence against the human dignity.
