Priests'
Retirement
Fund

Each year on Easter Sunday, a special collection is taken up to benefit the Retirement Fund for the priests of the Diocese of Savannah. This collection provides a very important contribution to the pension fund for our diocesan priests. When a diocesan priest retires, he must provide for himself primarily through the pension he receives from the Diocese of Savannah and Social Security insurance. The number of priests retiring will increase in the next ten to fifteen years. Your contribution to this important collection will help our retired priests take care of themselves in their later years. We thank you for your generosity and gratitude for the service of the priests of the diocese.

APRIL IS NATIONAL
**CHILD ABUSE
PREVENTION MONTH**

Did you know...Child abuse can occur in every culture and every socio-economic demographic.

This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home and be ever observant and vigilant in all public and private settings.
