A MOTHER'S PRAYER

There are times when only a mother's love can understand our tears,
Can soothe our disappointments and calm all of our fears.
There are times when only a mother's love can share the joy we feel
When something we've dreamed about quite suddenly is real.
There are times when only a mother's faith can help us on life's way
And inspire in us the confidence we need from day to day.
For a mother's heart and a mother's faith and a mother's steadfast love
Were fashioned by the angels and sent from God above.

Hello families and friends of St. Peter the Apostle Parish, My name is Maggie Fogarty and I am a current student of Georgia Southern University getting a degree in psychology and planning to get a masters of Theology after graduating in the spring of 2024. I have been a member of this parish since 2009 and even graduated from St. Peters in 2016 and then attended high school at Saint Vincent's Academy and graduated in 2020. Throughout my high school years I encountered Jesus Christ in many different ways, and was able to form a real relationship with Him. That led me to become a part of the discipleship program with Focus, the president of Catholic Eagles at Georgia Southern, and be Co-Youth Minister for the parish in Statesboro. All of these things have helped me to find my passion in life and that is to give back to my home parish and really help teens in Savannah form a relationship with Christ. The way I believe I can do this is to come home and become the Youth Minister for our parish. I am very excited to start this journey and can't wait to see how the Lord works in the teens' hearts that I will encounter. I ask that you please support me and pray for me as I start this new chapter in my life. I am praying for you all always.

Sincerely,
Maggie Fogarty
